Rain Jackets are Navy and Purple with the Shenley FC logo printed on the left breast and squad number on the right breast.

Midlayer fleeces are Navy and Purple with the Shenley FC logo embroidered on the left breast and squad number on the right breast.

Standard kit allocation is Home kit (which can be used home and away) and a Rain Jacket.
- Sponsorship of a Shenley FC strip is not a requirement, however, should a Team Coach/Manager obtain sponsorship funding for their team, all artwork including incidental and associated printing costs for a complete Shenley FC authorised strip, must be funded for a 2 year period for a junior or adult kit. This is amendable by Committee should the base costs of the supplier increase in the future. The sponsor's name will feature on the front of the match shirts only. Sponsored kit items will only be replaced with standard SFC kit items without a sponsor name unless the sponsor pays for a replacement item. The benefits of sponsorship provides the option of extra kit (away kits, midlayer fleeces), the sponsor logo will also go on our website and be promoted as part of Shenley FC.
- All matches are to be played in authorised Shenley FC colours only.
- Only authorised kit maybe worn and must be purchased from the main kit supplier. Training kits may also be available.
- Players and/or teams are not authorised to customise the official Shenley FC strip in any way excluding sponsored match shirts.
- The provided Shenley FC match strip is to be worn on match days only.
- On completion of registration for Shenley FC, a player will receive a complete match kit consisting of Shenley FC shirt, shorts, socks, rain jacket in their size, this will be owned by the club and would need to be returned to the club upon leaving or if a bigger size is needed (larger size would be after 2 seasons), any items missing or damaged would need to be paid for – As we are a more sustainable club kit provided may be second hand as kit is club provided as we recycle kits at much as possible.
- Where a team has a sponsor additional kit may be provided but again this remains the property of the club and would need to be returned to the club upon leaving or if a bigger size is needed (larger size would be after 2 seasons), any items missing or damaged would need to be paid for. Again this maybe 2nd hand.
- Should any player leave Shenley FC for whatever reason or they move to training only they will need to return all kit to the team/club, any items missing or damaged would need to be paid for.
- Players and parents are responsible for the care and cleanliness of their strip during the season.
